

# LITTERING IS AGAINST THE LAW

South Beach

**1 million seabirds and 100,000 other marine animals including turtles, whales and countless fish are killed as a result of plastic litter every year**

**AT LEAST 267 SPECIES HAVE BEEN  
SCIENTIFICALLY DOCUMENTED TO  
BE ADVERSELY AFFECTED BY  
PLASTIC MARINE DEBRIS**

# Toxic Trash

An estimated 1.7 billion pounds of cigarette butts end up in the world's waterways a year, releasing nicotine, heavy metals, benzene and other carcinogens, along with plastic fibers

Cigarette  
butts  
take 12-15  
years to  
breakdown!
